

**TELEMEDICINE**

CLINICAL SUPPORT FOR CARE HOMES

**NHS**

# Have you got an unwell resident?

If you're not sure what to do, help is available. Telemedicine support covers (but is not limited to) any concerns you may have about:

- New rashes
- Increased breathlessness
- Falls
- Acute pain
- Raised NEWS2 or RESTORE2 score
- Sudden or increased confusion
- General deterioration
- Suspected infections
- Raised temperature

**Call us on**

**0300 772 7765**

Lines open seven days a week, 8am-10pm

Telemedicine is a dedicated advice service for care homes, staffed by clinical experts who are happy to help

Service is hosted by Hampshire Hospitals NHS Foundation Trust
